

CORPORATE SECURITY VISION STATEMENT

Date: Wednesday, September 21ST, 2022

We recognize that safety and security is everyone's responsibility. Legend Valve is committed to a security culture that protects our employees, assets, information, integrity, and reputation from potential threats. Our core policies promote awareness, accountability, and participation for all facets of our business operations and international business partnerships. We aspire to be an industry leader in promoting strong security and trade partnerships that foster a safe, secure, and prosperous global community.

Legend Valve & Fitting is pleased to partner with U.S. Customs and Border Protection (CBP) and our business partners to promote a safe and secure supply chain.
