

LegendPress®

P-521NL BOILER DRAIN VALVE

The P-521NL boiler drain features a durable full-pattern forged brass body and an engineered packed stem design. The press-end is designed to be compatible with commercially available VUS profile jaws. A deeper tube socket enhances stability during installation, saving time, labor, and callbacks.

PRODUCT INFORMATION

| Part No. | Size | Configuration | Cs/Ct |
|------------|-------------|---------------|--------|
| 107-143PNL | 1/2" x 3/4" | Press x MGHT | 100/10 |
| 107-144PNL | 3/4" x 3/4" | Press x MGHT | 100/10 |
